

2022 Budget & Rate Information

At their public meetings in December, Elizabethtown Borough Council finalized the budget for Fiscal Year 2022. The Borough will provide more detailed budget information in a forthcoming Borough Bulletin; however, below are important updates for the community:

- Adopted Ordinance #1002 levying a tax, for general Borough purposes, on all real estate within the Borough subject to taxation at a rate of 5.1 mills on each dollar of assessed valuation. This represents a 0.5 mill increase over last years rate (of 4.6 mills).
- To cover increasing disposal costs, the Refuse and Recycling rate will increase to \$232.00 for 2022 (or \$58.00 per quarter). The increase will be reflected in utility bills received in early January 2022.
- To plan for needed infrastructure improvements, the Borough increased Sanitary Sewer Rates beginning in 2022. The Residential Rate for each single-family dwelling unit and each apartment unit will increase to \$420.00 for 2022 (or \$105.00 per quarter). Commercial units and mixed usage units will increase to \$0.0092 per gallon per quarter or a minimum of \$105.00/quarter. The rate increase will be reflected in utility bills received in April 2022.

Thank You Etown!

Many thanks to all the wonderful businesses, organizations, and borough residents that made our community's holiday celebrations so special... and best wishes to everyone for a wonderful year ahead!
