

**RESOLUTION NO. 2019-7**  
**BOROUGH OF ELIZABETHTOWN**  
**LANCASTER COUNTY, PENNSYLVANIA**

**A RESOLUTION OF SUPPORT FOR THE APPLICATION FOR SMART GROWTH  
TRANSPORTATION PROGRAM FUNDS FOR PEDESTRIAN FACILITIES IN  
COLLABORATION WITH MOUNT JOY TOWNSHIP**

WHEREAS, Elizabethtown Borough and Mount Joy Township have identified Groff Avenue and a section of South Mount Joy Street where pedestrian facilities would provide for safer travel for pedestrians and traffic calming on these established residential streets within their neighboring municipalities; and

WHEREAS, it is recognized that the character of the established residential neighborhood, mature street trees, and other traditional features within the public right-of-way introduces unique challenges for the design and construction of sidewalks in this neighborhood; and

WHEREAS, the two municipalities are collaborating on the design and construction of pedestrian facilities on South Mount Joy Street and Groff Avenue for connectivity and safe passage for residents of all ages and alternative modes of travel; and

WHEREAS, Elizabethtown Borough and Mount Joy Township are collectively applying for Smart Growth Transportation Program funds for the construction of pedestrian facilities; and

WHEREAS, it is understood that the application guidelines for Smart Growth Transportation Program funds require a local match of pre-construction costs; and

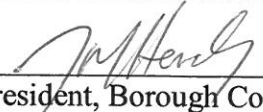

WHEREAS, the two municipalities are in support of and prepared to dedicate local funds to meet the local match requirements should funding for the project be granted; and

NOW, BE IT THEREFORE RESOLVED, by Borough Council of the Borough of Elizabethtown, Lancaster County, Pennsylvania, that it supports and sponsors the application for Smart Growth Transportation Program funds for this project and commits to its share of the pre-construction local match requirements should funding be awarded.

DULY ADOPTED this 20<sup>th</sup> day of June 2019, by the Council of the Borough of Elizabethtown in lawful session duly assembled.
