

COVID-19 ("CORONAVIRUS")

ELIZABETHTOWN BOROUGH PARK ADVISORY

Elizabethtown Borough is taking precautions in our Park to help stop community spread of COVID-19.

Fresh air and exercise are important for your physical and mental health. There is nothing dangerous about going outside. The danger is being close to other people who are infected, whether they know it or not. So, with that in mind, we agree with health experts who advise caution during this time. They recommend only engaging in outdoor activities with the people in your household and practicing social distancing – staying six feet away from neighbors or others in public areas.

ELIZABETHTOWN BOROUGH COMMUNITY PARK

- **Park Restrooms are closed.**
- **Basketball Courts: Rims are removed to avoid the physical contact of the sport.**
- **Play Equipment/Structures: Signs posted to advise residents to not use at this time.**

We apologize for the inconveniences we know these decisions will cause. We take these actions to limit spread of COVID-19 as recommended by the Centers for Disease Control.

The above actions are effective as of Tuesday, March 31, 2020 and will remain in place until further notice.
