Elizabethtown Borough Ward Map

Welcome New Council Member William Troutman

Representing the First Ward, William Troutman was sworn into office on January 2, 2018 by Mayor Mummert. Bill Troutman has been a resident of Elizabethtown Borough for 58 years. He is a licensed electrician and is employed with IBEW Local Union 743 where he oversees the installation of building management systems to create a green building profile.

At the December 21, 2017 Public Meeting, former Council Member Dr. C. Dale Treese was recognized for his many years of service, commitment, dedication, and distinguished service to Elizabethtown Borough and its residents.

Wastewater Treatment Plant

Administration- Borough Office

Elizabethtown Borough maintains a staff of approximately 40 full time employees to serve the citizens and businesses of Elizabethtown community. These employees work out of several locations and perform a number of tasks to keep the Borough running smoothly. These folks make it possible for Elizabethtown to be a full service municipality.

2018 Trash and Recycling

Elizabethtown Borough provides a comprehensive trash and recycling program for residents. Household trash and recycling is collected curbside once a week by Lebanon Farms Disposal.

Residents may use:

- one container or bag no larger than 32-gallons and weighing no more than 30 pounds for trash disposal. More than one container or bag requires a \$2.00 extra service tag that can be purchased at the Borough Office or local convenience and grocery stores.
- a recycling container (or multiple containers) of choice as long as it is within the size and weight limits – simply apply a recycling sticker to the container(s). Recycling stickers for cans are available for free at the Borough Office during normal business hours.

Special collection dates are also available throughout the year for leaves, yard waste, white goods and tires. Dates can be found online by viewing the 2018 Special Collection Dates found on the Trash and Recycling page of our website.

Yard Waste Collection

Curbside collection of yard waste is every other week on the same days as trash and recycling collection.

Soft and woody yard waste may be combined and placed in a non-disposable container or can of the resident's choice but the container may not be larger than 32-gallons. Kraft leaf bags should not be used. Branches should be placed in a container or tied with string in bundles up to 20" in diameter and less than 4' in length and set at the curb. Bundles or containers should weigh no more than 30 pounds.

If a resident chooses to use a non-disposable container or can it must be labelled with a yard waste sticker. Free yard waste stickers are available at the Borough Office during regular business hours.

Upcoming Yard Waste Collection Days

- February 1, 13, 14, 15, 27, 28
- March 1, 13, 14, 15, 27, 28, 29
- April 10, 11, 12, 24, 25, 26
- May 8, 9, 10, 22, 23, 24

More dates can be found online by viewing the 2018 Special Collection Dates on the Trash and Recycling page of our website.

Leaf Collection

Curbside collection of leaves placed in biodegradable Kraft leaf bags (available free to residents while supplies last) occurs on the same day as regular trash collection. Curbside Collection begins in October.

Leaf Collection Days

- October 16, 17, 18
- November 13, 14, 15, 27, 28, 29
- December 11, 12, 13

Kraft Leaf Bag Distribution

While supplies last, Kraft leaf bags are provided free of charge to Borough residents for leaf collections. Residents are urged to take only the number of bags they expect to need for their individual property; there is a 25-bag limit each time you pick up bags. Kraft bags are not to be used for soft and woody yard waste.

Kraft leaf bags are available at the Scout House in Community Park on Verdant Alley on the following dates:

Wednesdays, 7:00 a.m. – 6:00 p.m.

- October 10, 17, 24, 31
- November 7, 14, 21, 28
- December 5

Saturdays, 8:00 a.m. – 10:00 a.m.

- October 13, 20, 27
- November 3, 10, 17
- December 1

White Goods & Tires

Curbside collection of white goods and tires occurs on the same day as regular trash collection the week of May 1, 2, 3.

White goods include appliances such as washers and dryers, dishwashers, freezers, refrigerators, stoves, ovens, hot water heaters, air conditioners, dehumidifiers, furnaces, water coolers and electrical heaters.

A collection sticker is required for each item—\$15 for white good/appliance and \$3 per tire. White goods and tire collection stickers are sold only at the Borough Office - Monday through Friday, 7:30 a.m. - 4:00 p.m.

Holiday Trash Delays

If a holiday should fall on your regular collection day (Tuesday, Wednesday, or Thursday), pickup will be moved to Friday of that week. Collection for the day falling on the holiday is the only day that will be affected—no other change in collection that week will occur.

Northwest EMS

With winter nearly behind us and the hope of warmer weather on the way, all of us are anxious for longer daylight hours and warm sunshine to get outside and enjoy the things we love. At Northwest EMS we want to encourage you to be as active and healthy as you can, so you can enjoy life to its fullest.

The warmer weather may inspire you to be more active, but unless you've been physically active, begin your exercise program in moderation to avoid strains, sprains and injuries. If walking, running or biking on roadways, always wear reflective clothing to ensure that you are visible to traffic.

And remember that with spring comes the potential for flooding. Flooding can be caused by many factors, particularly winter snowmelt, ice jams or heavy rainfall. NEVER drive your car through standing water! Always turn around, even if you know the road well. Flooding can hide hidden dangers like debris that has washed on to the roadway or erosion that may have caused damage to the roadway.

Turn around! Don't drown!

On January 18, 2018, former Chief of Police Jack Mentzer was recognized for his years of service and retirement from the Elizabethtown Police Department. Mentzer received a Commendation of Merit from Borough Council, citations from Congressman Lloyd K. Smucker, Senator Ryan Aument and Representative David Hickernell, and recognition from the Police Department.

Message From The Chief's Desk

Hello, my new friends, and thank you for welcoming me to Elizabethtown. I am very excited to have been chosen to lead the Elizabethtown Police Department into the future, and I am honored that they have accepted me as a part of the team that serves you on a daily basis.

Although I spent my professional career working for, and gaining experience in, a larger department, community-focused policing is my passion, and Elizabethtown is the perfect place for me to do that. The Elizabethtown Police

Department employs some of the finest police officers I've ever worked with. We have energetic officers who are sharing new ideas and finding new and innovative ways to serve their community, and we are always trying to find ways to be more efficient and effective as we work in partnership with the people who count on us.

As I've said, I emphasize my commitment to being active in the community, and I look forward to learning about all of our neighborhoods by meeting the people who live there. If you have any questions or concerns, or if you would just like to meet me and chat, please don't hesitate to reach out to me. I can be reached at etownpd@etownpolice.org or at 717-367-6540. Or, you can just watch for me walking around Downtown, checking on all of our businesses and enjoying a cup of coffee and some fresh air! Either way, I can't wait to meet you and to figure out how we can build the partnership between your police and your neighbors.

Looking forward,

Chief Ed Cunningham

Elizabethtown College

Dates to Note:

- College Spring Break, March 2-March 11
- Easter Break, March 30-April 3
- Baccalaureate and Reflections by the Lake, May 18
- College Commencement, May 19

2018 Street Sweeping

Sweeping Borough streets this spring will be done on following schedule (weather permitting):

- May 1 – ODD side of the street, NORTH of High Street
- May 2 – EVEN side of the street, NORTH of High Street
- May 3 – ODD side of the street, SOUTH of and including High Street
- May 4 – EVEN side of the street, SOUTH of and including High Street

Parking will be restricted on these streets from 6:00 a.m. to 5:00 p.m. on the scheduled day. Residents may sweep sidewalks into the gutters prior to the street sweeper coming through, but please do not put leaves and/or sticks in the gutter as the sweeper will not pick them up. Please note that while street sweeping will follow the schedule above, it is possible that additional passes will be made in certain areas.

2018 Paving Schedule

The following streets are on the 2018 paving schedule:

- Hillside Avenue (Holly Street to Radio Road)
- Conoy Avenue (Radio Road to the Mount Joy Township Line)
- Southview Circle
- Rhema Court

Each year the Borough's Public Works crew spends the summer before paving begins repairing sewer lines and stormwater facilities and monitoring curb and sidewalk installation.

During this time EAWA also repairs water lines and hydrants. Property owners are notified of the amount of curb and sidewalk that needs to be replaced before paving begins. Residents are reminded to maintain street trees to ensure a minimum clearance of 7½' above sidewalks and 14' above road surfaces.

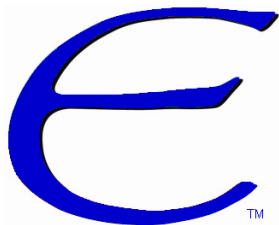

Elizabethtown Area Chamber of Commerce

2018 is off to a fantastic start for the EACC community. Energy is high and business optimism is evident with a flurry of committee meetings and planning for new programs and events that will take place throughout the year. Our members and local residents have been sharing thoughts and dreams for our community, and it's been so exciting to see the plans come to life.

Getting involved in a Chamber committee is a great way to engage and become a thought-leader. Current committees include: Marketing, Economic Development, Events, Downtown Business and Membership. For more detailed info, visit our website or contact us at 717-361-7188.

Stay tuned for the Downtown Business Committee's Launch of re-branded E-town Nights: Second Fridays in Elizabethtown. Kits to make participation easy will be available soon.
