

## Reminders about trash and recycling collection in Elizabethtown Borough

Household refuse and recycling in Elizabethtown is collected curbside once a week by Lebanon Farms Disposal. Residents may use one container or bag no larger than 32 gallons and weighing no more than 30 pounds for trash disposal. More than one container or bag requires a \$2.00 extra trash tag that can be purchased at the Borough Office or local grocery stores. Simply place the tag on the bag or on the top item in the can for collection.

Residents may use a recycling container (or multiple containers) of choice as long as it is within the size and weight limits - simply apply a recycling sticker to the container(s). Free recycling and yard waste stickers are available at the Elizabethtown Borough Office. Special collection dates are also available throughout the year for leaves, yard waste, white goods and tires.

Please assist with the trash and recycling collection by keeping your containers to 32 gallons and weighing no more than 30 pounds. Large and heavier container are difficult to lift and empty and can cause unintended damage to the container.
